

A MOVING SOLUTION

Chief's latest FUSION® Series carts and stands continue our strong tradition of solid products for mobile displays. The aesthetic redesign incorporates rounded edges and sleek features to give the cart a softer, professional feel that fits well in corporate and classroom environments.

*LPAU Mobile Cart
Shown with shelf and component storage accessories*

FEATURES

- Turn knob allows a single user to easily raise and lower the screen by hand or 1/2" hex drill bit to any height between 50 and 70 inches (127-177 cm)
- Flexible cable covers allow lay in access anywhere along the column
- Centris® Technology provides tilt and roll with easy to use knobs
- Wider columns with rounded edges are easy to grip for effortless maneuverability
- Large casters make for smooth positioning while lockable wheels provide added stability
- Sleek look suitable for multiple environments
- Accessories include redesigned shelves and equipment storage
